

2024 SMISC Graduating High School Seniors

Collegiate Membership Gift Program

After spending hours practicing and devoting your life to figure skating, you are about to begin a new chapter in your life.

The St. Moritz Ice Skating Club would like to help you continue your involvement in skating when college begins. There are many ways **you** can stay involved in figure skating:

As a skater:

Continue testing and/or competing

Try something new: dance, synchro, theater on ice, adult competitions

Intercollegiate Team Competitions- all levels

U.S. Collegiate Championships- Intermediate through Senior levels

As an official:

Judging/ Trial Judging- test sessions and competitions

Technical Panel Member

Accounting

Music Coordinator

Announcing

As a volunteer:

Volunteer at local competitions

Serve on your Club's Board of Directors

The Club is here to help you continue your involvement in figure skating by providing information for these opportunities, answering questions, and finding contacts for you, wherever you are headed.

In addition, the St Moritz Ice Skating Club would like to honor and recognize those skaters who will be graduating from high school for their **lasting** and **continuing** involvement in the sport of figure skating. A four-year Collegiate Membership gift will be given to those committed to staying involved in our sport.

Please submit the attached information sheet and a short essay (1 page or less) as to how you personally plan on continuing your involvement in figure skating, and how the Club can help you stay involved. St. Moritz will provide assistance to help with that involvement.

Upon review of your essay and information sheet, in honor of your achievements and in return for your continued involvement, the Club will give you the gift of a U.S. Figure Skating Collegiate membership through the St. Moritz Ice Skating Club that will last the next four years!

The deadline for submission for the 2024 graduating high school class is **May 30, 2024**.

To submit your essay and information sheet, please email Jean Fahmie:
